Capstone Project Proposal
John Stark Regional High School

Name:

Project Title:

Home phone/email address:

Project Description: (1-2 paragraphs)
- What is your intended project?
- Why did you choose this project?
- What will you learn from this project?
- What are the long-term benefits of the project. How will this project benefit you in the future?
- How will this project challenge you?

Mentor:
- Who is your mentor? (must be over age 25)
- What are their qualifications?
- Why are they a good choice for you?
- Have you contacted this person about being your mentor?

Materials:
- What specific materials, tools, etc. might be needed?

Tentative Timeline:
- What is your tentative plan of action (detailed, date-specific timeline). Break down project into small time frames such as weeks or months.

Potential Sources:
- What are 5 sources, 3 of which must be written, that you might use?
  - **Definition of a written source:** a print book or article OR a web article or online magazine/journal containing information applicable to your project.
  - **NOT:** Wikipedia, Pinterest, BuzzFeed, “Top Ten Tips” type articles, etc.
- The others may be written, but could also be videos, interviews, blogs, etc.
- **Create annotated works cited indicating how you might use each source.**
- Sources should be in MLA format.

Plan for Evaluation and Expo Display:
- How will you present your project to your evaluators and the public?
Anticipated Evaluation Date:

- *It is assumed that all students will present in May unless the Capstone Coordinator receives an “Intent to Present” form before they are evaluated.*

- *All early graduates MUST present in December in order to fulfill graduation requirements.*

___December

___March

___May (Expo)
